QUESTION 8:
As you know, state and local election officials oversee, conduct and monitor the administration of the election and counting of ballots. If you were going to give a grade for how elections are administered where you live, would you grade it as - an A for excellent, a B, C, D or an F for failing?

Table 26-1
QUESTION 17:
You have been selected to focus on just a few of the ballot measures. Again, this is for research purposes only so please indicate how you voted as accurately as possible...

Would you vote Yes, in favor or No, against each of the following?

Proposition 79 asks to change the Colorado Constitution to recognize the right to abortion and allow abortion to be a covered service under state and local government health insurance plans for employees.

QUESTION 19:
You have been selected to focus on just a few of the ballot measures. Again, this is for research purposes only so please indicate how you voted as accurately as possible...

Would you vote Yes, in favor or No, against each of the following?

Proposition 131 establishes an all-candidate primary for all voters regardless of their political party for certain offices and advances the top four candidates to a general election where voters rank the candidates in order of preference, once certain conditions in state law are met.

QUESTION 21:
The following are some things the Colorado state legislature might consider in next year's legislative session. For each one, please indicate whether you PERSONALLY believe this should be a top priority for the state legislature, a fairly high priority, not much of a priority, or not a priority at all.

Improving public schools

QUESTION 22:
The following are some things the Colorado state legislature might consider in next year's legislative session. For each one, please indicate whether you PERSONALLY believe this should be a top priority for the state legislature, a fairly high priority, not much of a priority, or not a priority at all.

Balancing the state budget

QUESTION 23:
The following are some things the Colorado state legislature might consider in next year's legislative session. For each one, please indicate whether you PERSONALLY believe this should be a top priority for the state legislature, a fairly high priority, not much of a priority, or not a priority at all.

Creating more affordable housing

Table 33-1
QUESTION 24:
The following are some things the Colorado state legislature might consider in next year's legislative session. For each one, please indicate whether you PERSONALLY believe this should be a top priority for the state legislature, a fairly high priority, not much of a priority, or not a priority at all.

Addressing health care costs

Table 34-2
QUESTION 25:
The following are some things the Colorado state legislature might consider in next year's legislative session. For each one, please indicate whether you PERSONALLY believe this should be a top priority for the state legislature, a fairly high priority, not much of a priority, or not a priority at all.

Addressing illegal immigration

QUESTION 26:
The following are some things the Colorado state legislature might consider in next year's legislative session. For each one, please indicate whether you PERSONALLY believe this should be a top priority for the state legislature, a fairly high priority, not much of a priority, or not a priority at all.

Improving public safety

Table 36-3
QUESTION 27:
The following are some things the Colorado state legislature might consider in next year's legislative session. For each one, please indicate whether you PERSONALLY believe this should be a top priority for the state legislature, a fairly high priority, not much of a priority, or not a priority at all.

Cutting government spending

Table 36-7
QUESTION 27:
The following are some things the Colorado state legislature might consider in next year's legislative session. For each one, please indicate whether you PERSONALLY believe this should be a top priority for the state legislature, a fairly high priority, not much of a priority, or not a priority at all.

Cutting government spending

QUESTION 28:
The following are some things the Colorado state legislature might consider in next year's legislative session. For each one, please indicate whether you PERSONALLY believe this should be a top priority for the state legislature, a fairly high priority, not much of a priority, or not a priority at all.

Making quality child care more affordable

Table 37-8
QUESTION 28:
The following are some things the Colorado state legislature might consider in next year's legislative session. For each one, please indicate whether you PERSONALLY believe this should be a top priority for the state legislature, a fairly high priority, not much of a priority, or not a priority at all.

Making quality child care more affordable

Table 38-4
QUESTION 29:
The following are some things the Colorado state legislature might consider in next year's legislative session. For each one, please indicate whether you PERSONALLY believe this should be a top priority for the state legislature, a fairly high priority, not much of a priority, or not a priority at all.

Addressing homelessness
